Re: Termination of Proposed Debarment

Ladies & Gentlemen:

This is to advise you that I am terminating the proposed debarment issued by the Defense Logistics Agency (DLA) on August 1, 2002. In view of your presentations, I have concluded that your continued ineligibility for Government contracts is not necessary.

The decision to terminate is based solely on the information currently before me and does not limit or restrict DLA or any other agency of the Government from instituting administrative action, including suspension or debarment, should new evidence become available which indicates that such action is necessary to protect the Government's interests.

Sincerely,
