The following additions, changes and corrections are hereby incorporated into Solicitation SP0600-04-R-0080:

1. Questions and Answers:

In response to questions from potential offerors regarding this solicitation, the following answers are hereby provided for clarification:

- Q. Contract Line Item 303001, Naval Training Center, Great Lakes, IL. What is your expectation regarding gas takes each month? Taking into consideration that transportation is FIRM. Will a daily volume for the month be pre-determined, or is DESC expecting to have a varied supply amount each day?
- A. Our expectations regarding monthly gas takes are the quantities stated on the estimated requirements contained in the solicitation. The daily volume will be determined by the marketer based on the ordering officer's (customer's) first of the month order. Additionally, the marketer will determine the daily volume based on any subsequent changes the customer may make to the order during the course of the month.
- Q. Contract Line Item 303002, Ft Sheridan, IL. Gas will be delivered to Ft Sheridan on an interruptible basis. What does this mean in terms of gas takes? For example, will a contract officer communicate with us on a daily basis for volumes for the following day?
- A. The deliveries to Line Item 303002, Ft Sheridan, will be essentially the same as for Naval Training Center (NTC) Great Lakes, except this requirement is on an interruptible basis whereas NTC Great Lakes is on a firm basis. The ordering officer (customer) will place the first of the month order. The marketer will determine the daily volume based on the first of the month order. The marketer will make changes to the daily volume if the ordering officer makes subsequent changes during the month.

2. Prospective offerors are encouraged to periodically view the Solicitation on the DESC Natural Gas Home Page for changes, corrections, and additions.

3. The closing date and time for this solicitation remains unchanged: May 25, 2004 at 1:00 PM local time, Fort Belvoir, VA.
