This Amendment is issued to clarify Amendment 0007 and incorporate the following change to Solicitation SP0600-01-R-0026:

The Water Treatment Plant is not deleted from Section J03, Water Utility System. Amendment 0007 only deleted the upgrade requirement to the Water Treatment Plant, previously added by DESC letter dated September 26, 2001 letter. A Government Project to upgrade the Water Treatment Plant has been awarded and should be completed in approximately 18 months. During this construction period, any resulting contract awarded will require the successful awardee to operate the system pending any transfer of the Water Treatment Plant at the end of the construction period.
