The purpose of this amendment is to extend the closing date and to revise Section B.4 of the solicitation as follows:

A. The closing date for the receipt of proposals under this solicitation is hereby extended to **March 19, 2003** for all three systems - electric, water, and wastewater.

Please note: Due to previous delays, the closing date provided above will be strictly enforced. Therefore, DESC requests that any questions regarding the solicitation and amendments be received in our office by COB February 17, 2003 to allow sufficient time to respond to all inquiries.

B. Delete Section B.4 in its entirety and replace with the following:

#### **B.4 Offers for Multiple Systems**

Offerors are not required to offer on all of the utility systems contained in Schedule A. Offers may be submitted on individual system[s] or on groups of systems on an all or none basis. **However, under this solicitation, it is required that the water and wastewater systems remain together and therefore must not be separated when submitting an offer. An offer for one without the other will not be considered for award. Offerors may, however, submit an offer on the electrical system only.**

For all offers, whether grouped or not, the Offeror shall provide a separate price schedule for each CLIN. Offers on grouped systems that do not include a separate price schedule for each line item will not be considered for award. For purposes of the economic comparison required by 10 USC 2688, each system will be evaluated separately.

C. A pre-proposal conference/site visit will be held on January 27-28, 2003 at the Fort Gordon Army Installation, GA. Details will be provided under separate cover.

Except as provided herein, all other terms and conditions of the solicitation remain unchanged and in full force and effect.
