\*Air BP offers the option of 31,000,000 USG with a waiver to the requirement for an automatic in-line sampler. The option of 53,000,000 USG is offered with the purchase and installation of the automatic in-line sampler by Air BP.

**NOTE:** IAW Clause M24.03, EVALUATION OF OFFERS INVOLVING F.O.B. TANKER LOADING (FMS ISRAEL) (DESC AUG 2002), Paragraph (b), the Government will award on the basis of the lowest acceptable, responsible offer received for each item, with a preference given to offerors in the following order:

- (1) Lowest acceptable, responsible offer received from a U.S. firm with a U.S. refinery source.
- (2) Lowest acceptable, responsible offer received from a non-U.S. firm with a U.S. refinery source.
- (3) Lowest acceptable, responsible offer received from a U.S. or non-U.S. firm with a non-U.S. refinery source.
