DESC-PLB

13 February 2002

**SUBJECT:** Notice of Web Publishing of Solicitation SP0600-02-R-0048 under Customer Organized Group (COG 2), formerly Regions 1 & 2, Posts, Camps, & Stations (PC&S) Program

Request for Proposals (RFP) SP0600-02-R-0048 will be issued on or about March 15, 2002, respectively. The solicitation will cover the ground fuels requirement for Defense Energy Support Center (DESC) customers located in New York, New Jersey, Pennsylvania, Connecticut, Massachusetts, Maine, Rhode Island, New Hampshire and Vermont for mogas, distillates and residuals. The closing date for the RFP is tentatively scheduled for April 16, 2002. Please check DESC's Web page for any extension of the closing date.

As a result of the new paperless initiatives being implemented within the Department of Defense, DESC will not be mailing paper copies of the solicitations unless specifically requested to do so. The solicitation, the offeror submission package, and all other relevant documents pertaining to the acquisition will be made available to prospective offerors on the DESC Ground Fuels homepage at web site:

<http://www.desc.dla.mil/default.asp>

It is requested that all interested parties visit our web site to view and/or download the solicitation. The solicitation will be posted on or about 15 March 2002. Once the solicitation has been posted, interested parties should frequently check the web site for any amendments or new information pertaining to the solicitation. Any questions regarding the download or RFP should be directed to Ms. Dianne Lyles at (703) 767-9539 or email [dlyles@desc.dla.mil](mailto:dlyles@desc.dla.mil). Any questions or information submitted by facsimile may be faxed to (703) 767-8506. If you have an email address, please provide it. Anyone not having access to the Internet who would like to receive a copy of the solicitation should contact Ms. Dianne Lyles or Mr. Tyler Parker at (703) 767-9536. DESC invites all interested and responsible parties to submit a proposal (RFP) for this requirement.
