Re: Termination of Proposed Debarment

Dear Mr. Shloub:

This is to advise you that I am terminating your proposed debarment of issued by the Defense Logistics Agency (DLA) on November 13, 2003. In view of the presentations made by your counsel on July 21 and December 22, 2003, and your December 19, 2003 declaration, I have concluded that your continued ineligibility for Government contracts is not necessary.

The decision to terminate is based solely on the information currently before me and does not limit or restrict DLA or any other agency of the Government from instituting administrative action, including suspension or debarment, should new evidence become available which indicates that such action is necessary to protect the Government's interests.

Sincerely,
