In addition, where uniform cleaning and maintenance is made the responsibility of the employee, all contractors and subcontractors subject to this wage determination shall (in the absence of a bona fide collective bargaining agreement providing for a different amount, or the furnishing of contrary affirmative proof as to the actual cost) reimburse all employees for such cleaning and maintenance at a rate of \$3.35 per week

\$.67 cents per day). However, in those instances where the uniforms furnished are ma "wash and wear" materials, may be routinely washed and dried with other personal garm and do not require any special treatment such as dry cleaning, daily washing, or comm laundering in order to meet the cleanliness or appearance standards set by the terms Government contract, by the contractor, by law, or by the nature of the work, there i requirement that employees be reimbursed for uniform maintenance costs.

REQUEST FOR AUTHORIZATION OF ADDITIONAL CLASSIFICATION AND WAGE RATE {Standard Form 1 (SF 1444)}

Conformance Process:

The contracting officer shall require that any class of service employee which is not listed herein and which is to be employed under the contract (i.e., the work to be performed is not performed by any classification listed in the wage determination), b classified by the contractor so as to provide a reasonable relationship (i.e., approp level of skill comparison) between such unlisted classifications and the classificati listed in the wage determination. Such conformed classes of employees shall be paid monetary wages and furnished the fringe benefits as are determined. Such conforming process shall be initiated by the contractor prior to the performance of contract wor such unlisted class(es) of employees. The conformed classification, wage rate, and/o fringe benefits shall be retroactive to the commencement date of the contract. {See S

4.6 (C)(vi)} When multiple wage determinations are included in a contract, a separate SF 1444 should be prepared for each wage determination to which a class(es) is to be conformed.

When preparing a conformance request, the "Service Contract Act Directory of Occupations" (the Directory) should be used to compare job definitions to insure that duties requested are not performed by a classification already listed in the wage determination.
