TO: All Small Business Manufacturers of High Flash, Fuel System Icing Inhibitor (FSII) a.k.a. Diethyleneglycol Monomethyl Ether (DIGME)

To Whom It May Concern:

The Defense Fuel Support Center (DESC) is seeking small businesses who maintain a North American Industry Classification System (NAICS) code of 325998 (manufacturer); or 424690 (dealer) to submit an offer under the Request for Proposal (RFP), SP0600-04-R-0067. Today DESC issued the RFP for 2,605,000 USG of FSII delivered between January 01, 2005 through January 30, 2006 to 51 locations throughout the Continental U.S.

If your company would like to offer under the RFP and your company is certified by the U.S. Small Business Administration as: a small business, HUBZone small business, small disadvantaged business, woman-owned small business or if your company has a 8(a) designation; your company is encouraged to submit a one-page letter to DESC-DU. Your letter must reference the RFP number; state your company name, address, DUNS number and CAGE code (as stated in the CCR); as well as the amount of FSII your company will offer; and state your source of supply and its business size (if you do not manufacture or blend the two main products that comprises FSII).

The one-page letter must be received by 3:00pm, EST, on September 17, 2004 at the following address:

Defense Energy Support Center
Attn: DESC-DU / Valerie Oliver
8725 John J. Kingman Rd., Ste 4950
Ft. Belvoir, VA 22060-6222

RFP SP0600-04-R-0067 currently does not have any designated set-asides, however, should sufficient small businesses identify themselves to DESC's Small Business Office, DESC will issue set-asides for subject RFP. If not enough eligible small businesses submit letters, as required above, the RFP will remain "full and open".

If you have any questions regarding this notice, please Email Ms. Catherine Draper @ Catherine.Draper@dla.mil.

Respectfully,
